

2011-2012 Junior Referee and Scorekeeper Clinics Old Dominion Region

There are some major changes this year. Each team may use two Liberos and the Libero tracking will be a little more complicated because two Liberos may be used in the same set. Both Liberos must be listed on the score sheet and the Libero control sheet.

For the scorekeeping clinic, each attendee must bring a blue or black pen and pencil(s) with eraser and download and print the following documents from the Officials page of the ODR web site www.odrvb.org/scoresheets.html :

| Scorekeeping Tips | Scorekeeping Summary Deciding Set |
| Scorekeeping Summary Non-Deciding Set | Score Sheet Deciding Set |
| Score Sheet Non-Deciding Set | Libero Control Sheet |
| Line-up Sheet 3 Sets | |

For the referee clinic, each attendee must bring a pen or pencil to take notes and download and print the following documents from the Officials page of the ODR web site www.odrvb.org/rules.html

| 2011-12 Rule Changes | 2011-12 Techniques and Points of Emphasis |

Junior clubs and teams may attend a clinic at any location provided they have coordinated with the clinic host in advance to ensure there is adequate space to accommodate guest teams/clubs. If there is inadequate space, the guest team/club should arrange to host its own clinic or attend another clinic.

This schedule includes those clinics which are funded by the ODR. Clubs may host a clinic open only for their individual club members but must fund the clinician charges. An * indicates clinics paid by the host. You may contact the host about their clinics.

Directions to most sites are contained on the ODR web page www.odrvb.org/sites.html .

Refer questions or requests to host clinics to Patsy Neal at pnealtzu@hotmail.com. Clinics are still being scheduled. See the ODR website frequently for changes to the clinic schedule.
