Old Dominion Region Newsletter

Facility standards survey

The Old Dominion Region Board is trying to establish standards to insure the safety of players during ODR tournaments. The space around the courts, distance between courts, and ceiling height are all concerns. Club directors and tournament directors are encouraged to participate in the survey to describe the facility in which they would like to host tournaments. The survey will be posted the first week of April 2010.

Trash, trash and more trash!

Coaches, players, and parents please clean up after yourselves! Each one of us is a guest in that venue and should respect the facility. Please be aware of the trash that is created and place it in the trash cans.

- *Clean up the table areas*
- *Clean up the team benches after your match*
- *Clean up the scorekeeping table*
- *Clean up the empty court that your team is sitting on*

It costs extra money to hire staff to clean the facilities after tournaments. Please help keep the cost of tournaments down by disposing of your trash!

Board of Directors

There is currently a position open on the Board of Directors. If you are interested in serving, please contact any of the current board members.
