TRYOUT POLICY

The region tryout policy has been rescinded. However, if you require USAV insurance for your facility for tryouts please see following information.

- *If you require USAV insurance for your facilities for tryouts you must submit a sanction form for the dates of tryouts to Skip Weston, Commissioner.*
- *To be in compliance for a sanctioned tryout and to be covered by USAV insurance all participants (including coaches) attending tryouts must be current USAV members. **Having a non member participating in the tryout can nullify your insurance with USAV.***
- *A "tryout" membership has been set up by the region and a new member can register in WebPoint. This membership is at a reduced cost of \$10.00 and will expire 10/31/10.*
- *Any coach participating in upcoming tryouts will need to be a current member in USAV with a current background screening. An ADULT "tryout" membership has been established in WebPoint and the cost is \$10.00. The member can also get their background screening at an additional \$17.50 fee if they do not have a current screening. (Background screenings obtained at this membership event will only be valid until 10/31/2011)*

We need a Coordinator for our Adult teams!
