- I. Called to order 9:26
- II. Agenda approved
- III. Minutes approved. Would like to have minutes posted on website.
- IV. Webmaster: No report.
- V. Handbook: No report.
- VI. Treasurer's report: see report (Attached) There was a change in the budget to reflect the cost for using AES. Registration fees are being posted in large amounts.
- VII. Scorekeepers report: See report(Attached)
- VIII. Officials report: clinic schedule is almost ready to be posted. Patsy will be taking over the coordination of clinics effective end of business day.
- IX. Girls report: See report (Attached) long discussion on the tournament being held at the beach in December. There has been notification to the ODR for it to be sanctioned or that a COI request has been sent in. At this time this tournament is not ODR sanctioned. An email will be sent out to all clubs hosting tournaments that a separate COI needs to be requested for each tournament. The clubs also need to be made aware that no other sports event can be held in the venue at the same time as the Volleyball tournament. There was a motion to change the policy for bid requirements as follows "eligible teams will be allowed to play in any division to count towards the Old Dominion Regional Bid requirements." Seconded and approved.
- X. Boys report: Schedule finished, only have 2 clubs sanctions forms at this time. There will be tournaments every weekend for the boys this year.
- XI. Registrar – Report attached. Discussed updated On-Hold policy for the 2011-2012 season. Formal changes to the On-Hold policy will be established at the next board meeting. Issues have also occurred when non-selected ODR registered players have chosen to join teams in the Chesapeake Region. Chesapeake Region policy does not allow the transfer of membership from another region to the Chesapeake Region; therefore the Old Dominion Region has refunded membership fees to the affected players resulting in additional administrative expenses for the Old Dominion Region. Solution: ODR will refund membership fees less \$5.00 One-Day Event Membership fee to cover administration expenses.
- XII. Education – 80 participants attended the Bill Neville Clinic.

- XIII. Facility – Fredericksburg YMCA approved for 1 court tournaments.
- XIV. Newsletter – will highlight REDUCE-REUSE-RECYCLE. The ODR clinic schedule will also be posted in the newsletter.
- XV. Next meeting 12-12-2010
- XVI. Submitted by Dorothy McIntyre and Beth Wirt Dec. 6, 2010
