

TEAM CODE

On line 3 of the tournament entry form you are asked for a Team Code. This is the same Team Code used for all national events. There has been a problem with teams changing names in mid-season. With the use of the Team Code it will not cause any problems with record keeping if teams change names because the Team Code will remain the same.

 1 / 2 / 3 / 4 / 5 / 6 / 7 / 8 / 9 / 10 / 11 /
