Tournament Format

All pool matches are three 21-point sets starting at 4 – 4 with no cap. There will NOT be a coin toss for the third set. TEAMS will switch sides after the second set and will have a side change at 15 points during the third set. The first two matches of the pool shall start according to the schedule. After that, each match shall begin 10 minutes following the previous match.

Service Tossing Error

For Old Dominion Region sanctioned competition for 14-and-younger age divisions, one service tossing error per service attempt will be allowed. If the server tosses or releases the ball, and the ball lands without touching the player, it is considered a service tossing error and a reserve will be awarded.

Playoffs

Playoff matches are 2 out of 3 sets to 25. If a third set is required, it will be a 15-point set. No set has a point cap.

The losing team for each round of playoffs shall be responsible for providing the work team for the next round of playoffs. If an excess of teams are subject to this responsibility, the teams shall be released from work-team assignments on the basis of greatest distance to travel. If the excess of teams are from the same area, then the last team playing shall be the work team.

Playoff work-team assignments shall not be changed unless the host team volunteers to provide qualified work team personnel.

Teams responsible for work teams shall not be released from assigned matches unless they are specifically advised of their release by the Tournament Director.

Tie Breaking Procedures

Sheet 1

Ties for first OR second place

Two way ties will be settled using the following criteria:

1. Head to head competition between the tied teams.
2. If still tied, point differential between the tied teams.
3. If still tied, coin flip.

Three way ties will be settled using the following criteria:

Teams will be ranked according to the point differential between the tied teams.

Warm - Ups

Warm-ups for all matches shall be two minutes of shared ball handling, followed by four minutes of solo court time for the serving team, followed by four minutes of solo court time for the receiving team. (2-4-4). There will be no shared hitting.

NOTE: The ten minute interval between matches (2-4-4) starts when the R1 from the previous match blows the last whistle of the match and gives the end of match signal. Work teams are responsible for starting the next match on time not later than 10 minutes after the last whistle of the previous match. If a delay occurs and the captains' meeting ends past the allotted two minutes, the serving team's four minutes begins immediately.

Work Teams for Pool Play

A team's work assignment must be taken seriously. Each work team shall provide one certified First Referee, one certified Second Referee, one certified Scorer, two certified Line Judges, a Libero Tracker to control the Libero, and a Scoreboard operator to operate a visual scoring device. A team's coach must be present courtside at all times during a team's work assignment. That coach should be stationed at the scorer's table or behind the first referee. The work team coach is requested to check the scoresheet for errors and any missing or incomplete information.

Missed Officiating Duties

A team's failure to have a complete officiating crew (including the coach) available, on time, for a match officiating assignment could result in the team having to forfeit the first set of its next match. For every minute an officiating team is late to fulfill its work assignment, one point shall be awarded to that team's next opponent for the first set of the next match up to a maximum of 25 points. No more than 25 points shall be awarded to the team's next opponent even if the team designated to officiate misses the entire match. **The clock begins to run four minutes prior to the scheduled or adjusted match start time.**
