RVC Byrdhill Facility Rules and Reminders

- Doors will open one hour before the first match.
- Possession of fireworks, ammunition, firearms, or other weapons or any item or material which by commonly accepted practices and principles would be a hazard or harmful to other persons are prohibited at RVC and at RVC events.
- No outside food or drinks regardless of the container may be brought in the building or on to the patio. You may bring one refillable water bottle with you. If your team would like to bring food, you may tailgate on the grassy area in front of the building.
- When conditions are wet, please let your parents know that there will be NO PARKING ON THE GRASS. There is additional parking in the rear of the building. This lot can be accessed by driving along either side of the building. There is also parking on the opposite side of the street.
- If cars are illegally parked, we may stop all play until cars are moved. This is a fire hazard and a fire truck must be able to come in and be able to navigate our lot. We may also stop play for those parked on the grass.
- We will make every effort to have at least 1 or 2 courts available for "camping". Please feel free to bring chairs BUT please be courteous to other spectators and remove your chair from the side of the court when your child is not playing.
- Teams will be allowed to utilize only one table in the snack area. **If this is not sufficient for your team please bring a table and place it on courts designated for camping as space allows.**
- PLEASE have your athletes pick up the trash around the bench area after each match and have your athletes clean off and around the scoring table after a work assignment.
- If your team is missing a cooler or container that was brought into the facility please check outside. The tournament staff has probably taken it there and that is where it should remain. Please have your team / parents abide by the "**NO OUTSIDE FOOD OR DRINK**" rule.
- No alcohol and no smoking (including electronic cigarettes and vapes).
- Except for the patio at our Byrdhill location, only service animals are permitted in the Richmond Volleyball Club's facilities. A comfort animal is not a service animal and you may be asked the following questions. Is the service animal required because of a disability? What work or task has the service animal been trained to perform?

Thank you in advance for your assistance and we hope you enjoy the day!
